BRUNO REIS
MULTIMEDIA COMMUNICATION

Hey!
With a background in Communication Sciences and a specialization in multimedia—including **photography, video, and web design**—I'm currently honing my skills in **Full Stack development**.
I'm passionate about blending creativity with technology to create captivating experiences. A proactive learner and team player, I'm eager to contribute to innovative projects and continue expanding my expertise.

Experience

Multimedia Designer/ Instruccional Designer
Aug. 2021- present

ebankIT
In both marketing and academic departments, I've designed and developed digital content for internal and external communication. This includes static and animated elements, utilizing text, pictures, video, and sound. Additionally, I've contributed to instructional design, creating effective learning materials.

Multimedia Designer Trainee
Jan. 2020- Jun. 2020

INESC TEC
Curricular internship for the marketing department producing mainly videos for internal and external communication.

Rental Manager
Nov. 2016- Set. 2020

ORM- Oporto Rental Management
Manage rental properties on various platforms, with a focus on optimizing bookings and pricing, handling guest inquiries and check-ins, and maintaining positive relations with hosts. Also responsible for coordinating repairs with service providers and generating reports on revenues, occupancy rates, and other metrics

Geographer
Nov. 2015- May. 2016

Mobilidade PT
Gather geographic data through field observations, maps, photographs, satellite imagery, and censuses. Conduct research via surveys, interviews, and focus groups. Create and modify maps or other visual representations of geographic data.
